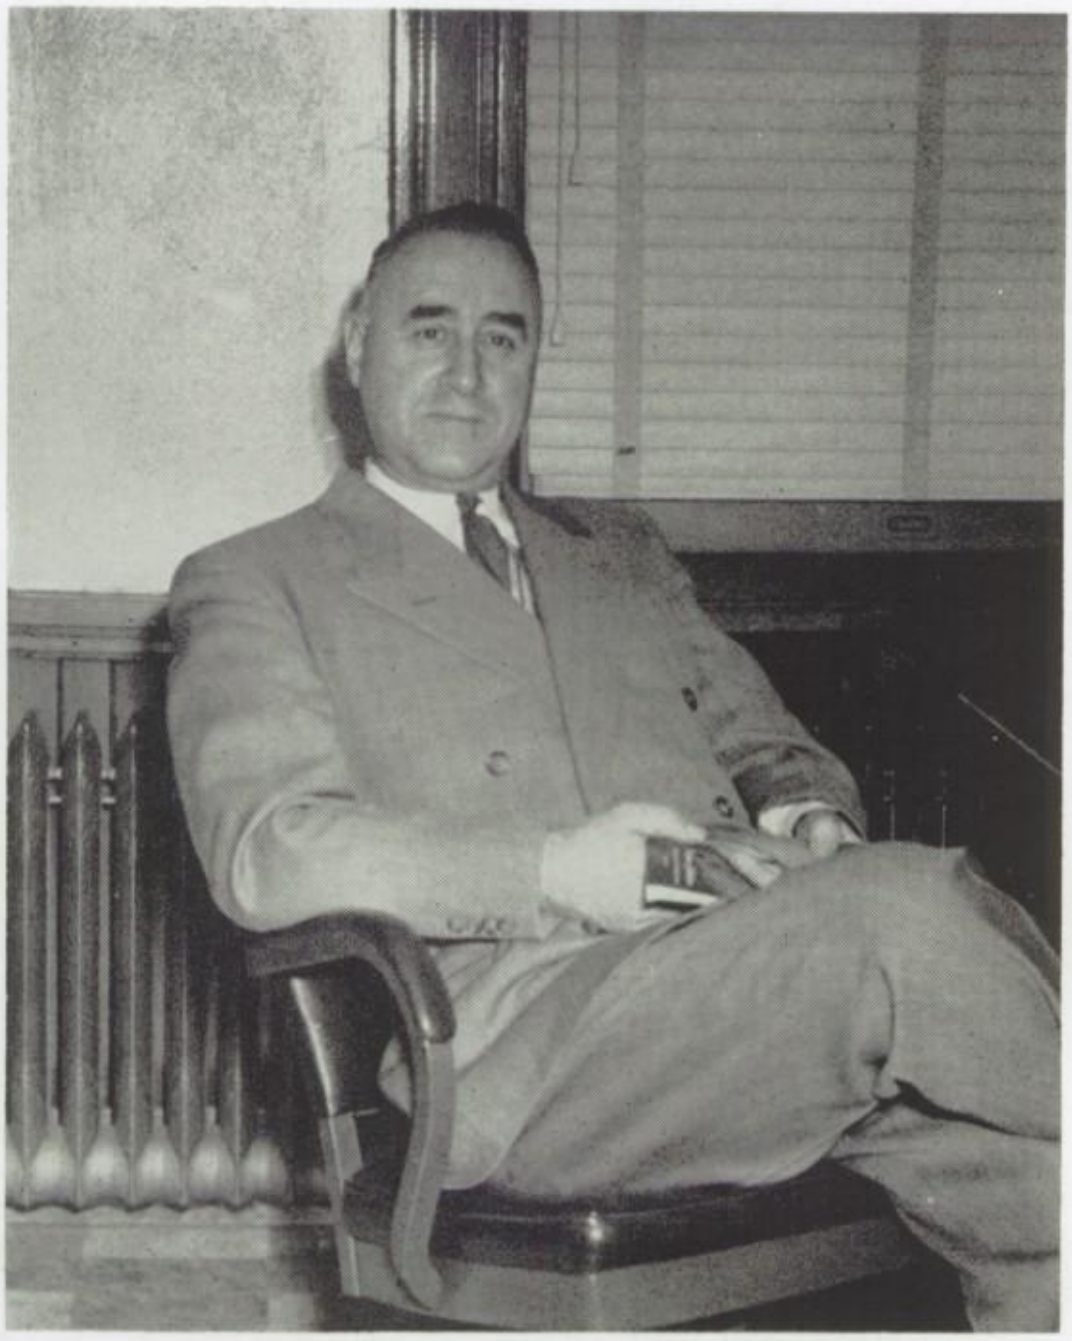
SUPERINTENDENT OF
TIFFIN PUBLIC SCHOOLS

My best wishes to the graduating class of 1955! Your school years have helped you to know the precise power of mathematics and science, the richness which is contained in music, literature and art, and the responsibility which the good citizen must feel for the democratic procedures by which our republic is governed. The years ahead for each of you will be better for the guidance and understanding you have accepted from teachers and advisors, and will be flavored by the friendliness and kindness you have given and received.

Donald W. Shepherd



Robert Pinkerton

PRINCIPAL OF
COLUMBIAN HIGH SCHOOL

You are living in one of the most unusual periods of history. Everything happens rapidly. It will be surprising to you how quickly the ties that now seem to bind you together as a class and as friends are broken and how soon you will seem to have to form new ones. Regardless of whether or not you go on with your formal education or go into military service or take a job in business or industry, you can not avoid a break with the past. It is our sincere hope that your years at Columbian High School will have given you something that will help you to make wise choices as you form new relationships.

Colors--Yellow and Green

Motto—"The higher we climb, the better the view"

Class History

Many years ago we began our golden chain of friendship. From the hills of Kentucky and far-off Latvia new links were clamped on to join us in becoming the Class of 1955. This charm bracelet is now complete.

As we look back to the hectic but happy past, we see Nancy Swearingen, Bruce Remsberg, and Margrace Prugh starring in "Hansel and Gretel" during the fifth grade.

Entering Junior High, we finally learned our way around, and by our freshman year we felt we were well on our way. We elected Bing Fowler, president; Wayne Kuhn, vice president; Joanne Bordner, secretary; Bruce Remsberg, treasurer. That year we proved our talents in our class play "Our Miss Brooks" and the operetta "H.M.S. Pinafore". Our first prom was titled "South Pacific".

We arrived at last at Columbian where we chose Bing Fowler, Jo Yager, Sharon Herbert and Tom Keen as our class officers and chose "Candy Land" as the theme for our prom.

In our junior year we elected Bing Fowler, Tom Keen, Betsy Vogt, and Jo Yager to direct us. As our class motto we chose "The higher we climb, the better the view". Yellow and green are our class colors. The big event was the Junior-Senior Prom, where we spent an "Evening in Paris".

Finally we reached the last link in our chain, our senior year. Through the efforts of every member of the Class of 1955 we are certain that each of us will continue to add many new friends to our golden chain of friendship.

The Varsity "T" is composed of boys who have earned their letter in athletics. The club has a two-fold purpose: to promote co-operation and fellowship with other athletes and to honor athletic achievement. The scoreboard which the club purchased by selling novelties was first used in this year's basketball season.

Each year the club awards an achievement trophy to the boy who best exemplifies athletic ability, sportsmanship in everything that he does, scholarship, participation in other activities, and high moral standards. Last year this award was presented to David Drake.

On the second and fourth Wednesday of every month you will find Columbian's gymnasium ringing with shouts and laughter as the G. A. A. holds its regular meeting.

What is G. A. A.? Well, it's a group of girls who get together to play basketball, volleyball, badminton, and numerous other games. Besides learning to play different games, they learn the value of team work, good sportsmanship, and good will by participating in the club's activities. This organization is state-wide and nation-wide, and Columbian is only one of the schools that participate.

City Champs

Calvert—7 Columbian—27

Columbian wound up its season by defeating Calvert to win the city championship. Columbian's first touchdown came as Gene Williamson generaled the Columbianites from the one-foot line to Calvert's goal and ended the drive with his 54-yard run. Williamson then passed to Kimmel in the second quarter for another 6 points. Williamson again passed but this time to Cook for Columbian's second touchdown in the second quarter. In the third quarter, Williamson took the ball and ran 86 yards for Columbian's fourth touchdown of the game. Jerry Frey converted three extra points.

Northern Ohio League

The Northern Ohio League is composed of eight high schools which include Bellevue, Bucyrus, Galion, Norwalk, Shelby, Upper Sandusky, Willard, and Tiffin Columbian.

Columbian dropped from the old Buckeye League last year while Crestline dropped from the N. O. L. at about the same time. Then Columbian was selected from a group of high schools which wished to enter the N. O. L.

The purpose of this league is the advancement of high school sports which develop competition in almost every activity. The principal sports are football, basketball, and track.

Besides sports events, N. O. L. has competitive band, orchestra, and choral festivals during the school year.

Bucyrus—18 Columbian—27

Coach Butdorf's debut was a success as Columbian swamped Bucyrus. This victory did not come easy though. Bucyrus ran back the opening kick-off for a touchdown. Columbian then received the ball and fumbled deep in their own territory after having the ball for only three plays. Columbian made 21 points in the second period to clinch the win. This was also Columbian's first N.O.L. win and game. Jerry Frey, Bill Fry, Larry Shaferly, and Jim Kimmel, who recovered a fumble in the end zone, each made touchdowns. Jerry Frey also kicked 3 extra points.

Port Clinton—32 Columbian—27

In a seesaw battle, Columbian lost to Port Clinton because of the shifty running of a Port Clinton halfback who made 71, 46, and 64-yard runs to put the score out of Columbian's reach. Bill Fry and Larry Shaferly each tallied once while Jerry Frey made 2 touchdowns and 3 extra points. This was a non-league game.

Marion—24 Columbian—0

With plenty of aid from Columbian's fumbles, Marion Harding defeated Columbian 24-0 in Marion. Two touchdowns were set up by fumbles as Marion blanked Columbian in the best played defensive game Columbian has shown yet this year. When Columbian's offense did get rolling, they were usually deep in their own territory and were stopped before any long drives could be completed. This was a non-league game and the last one with one of our old Buckeye League foes.

Norwalk—6 Columbian—14

In the poorest game Columbian had played so far this year, they defeated Norwalk for their second N.O.L. victory. Midway in the first quarter, Jerry Frey made an 88-yard punt return to give Columbian their first touchdown. Columbian again threatened to score several times until the fourth quarter when Jerry Frey went 14 yards for the second touchdown. Frey made both extra points. In the third quarter Norwalk scored their only touchdown of the evening.

Galion—6 Columbian—7

The third N.O.L. game was played at Galion on a rain-soaked field. The game was a continuous exchange of the ball. Galion recovered a fumble in the second period on Columbian's 35 and they went on to score. They missed the extra point. Columbian recovered a fumble on the 39-yard line in the last 7 minutes of the fourth quarter to go on and score. With a minute remaining, Jerry Frey ran over the extra point. This was the third straight N.O.L. win.

Willard—19 Columbian—26

Columbian went on to its fourth N.O.L. victory, defeating Willard in a hard-fought ball game. With the score 20-19 in the last quarter, Tom Myers intercepted a pass on Columbian's 33-yard line to stop the drive. On the next play Gene Williamson carried the ball 67 yards to score and put the ball game out of Willard's reach. Larry Shaferly, Gene Cook, and Jerry Frey each crossed the goal line once. Jerry Frey kicked 2 of the extra points.

Upper Sandusky—14 Columbian—7

Upper Sandusky gave Columbian its first defeat in N.O.L. competition. Columbian gave a poor first-half showing in which Upper made both their touchdowns. Columbian's defense then held Upper in the second half, but the offense didn't move until almost the end of the last quarter when they made their only touchdown.

Shelby—59 Columbian—6

Columbian was handed its worst defeat of the season by Shelby. Columbian's only touchdown was made in the third quarter by Larry Shaferly. Shelby's speedy backs ran through Columbian's defense for many long runs to run up a total of 56 points. This gave Columbian an even record with 4 wins and 4 losses.

Basketball Summary

Coach George Janson and the team in Columbian's first year in N.O.L. competition came up with a league record of five wins and two losses, to put Columbian in second place in the standings. The season's record was a fine total of thirteen wins and three losses, with Columbian's winning the city championship by defeating Calvert, 64 - 47. A disappointment came though as Port Clinton defeated Columbian in the first game of the Sandusky tournament.

Congratulations to the team and Coach Janson on a fine season.

Blue and Gold Prophecy

On our charm bracelet we find a "Telescope of the Future". As we peer through it, we focus our sights on an edition of the Advertiser-Tribune of 1965, edited by Sallie Huber.

In the headlines we see Tom Keen has just been appointed Senate Crime Investigator with Joe Deahl, Allen Dryfuse, and John Mogle assisting him. Lonnie McDaniel has been recently elected Attorney General of the State of Ohio, Ralph Magers is at the head of the State Highway Department. Wayne Kuhn has just been elected Mayor of Tiffin.

In the City Hall Notes we find Dale Griffis, police chief, and John Tarbutton, fire chief, have been called to investigate a fire in the chemistry laboratory at Columbian High School, now under the able guidance of Dale Morton. Superintendent David Shuman said the cause of the fire was unknown. We also see Nancy Baughman has recently been inducted as the first woman of the Police Department.

Having purchased a new Plymouth, Ronnie Schriner and his co-pilot Patty Oller collided with a car driven by Bob Hemmerly, scratching the white side-walls of the Schriner car.

Glancing through the local business section, we see Pat Rose has just received a new line of Cadillacs. Assisting him at the Rose Motor Sales are Dave Hoffert and Willard Merrill. Jim Beck of Good's Book Store has just announced the list of best sellers consisting of "Dieting" by John Arbogast; "How to Become Engaged" by Charlyn Barlekamp, Marcia Strausbaugh, and Carol Ryman; and "Safe Driving" by Gene Sager and Jane Weber. Dick Delaplane now has his own line of semi's while Connie Sanford owns an art school. We also see there will be a grand opening of a new department store managed by Jim Losey. In men's wear we notice Hans Abbott, while Jerry Frey is in charge of sporting goods and the Gundlach twins supervise women's ready-to-wear. Marcia Bishop and Carolyn Wilson are managing the shoe department.

Principal James Scheerer of Columbian High School has recently announced his faculty for the coming year. Elisabeth Campbell is teaching home economics; Donna Pence, journalism; Alice Williamson, dramatics; Janet Oller, Spanish; Sandra Osman, physics; Don Miller, typing. Ken Killen is now general secretary of the "Y" and Jerry Reinbolt is director of physical education. The Ritz Theater is owned by Orville Stone. Charles Stuckert has taken over management of his own hardware store, and John Barnes has purchased a large farm at the edge of town. Aivars Smitchens is chief engineer for the Dennis Smith Nash Company. Clarence Straub is managing the skating rink and Bill Smith is admiral of his own fleet.

On the Society page we notice there have been a great many reunions. Verjean Margraf, Pat Lamma, and Patsy Hill attended the meeting of the Soda Jerkers; Sylvia Flanders, Margie Flanders, Nancy Miller, Fonda Heil, Margaret Biller, Alice Woodland, Mary Rosenfelt, Patty Ringle, Shirley Runion, and LaDonna Drew were present at the Home Economists gathering; the Footch Gang held its annual reunion. This affair opened with the singing of the famous "Footch Song". Members present were Grant Alvord, Albert Jackson, Dale Walters, Bob Sponseller, Harry Kuhlman, and Dick Chaney. Margie Shontz, we see, was crowned Buckeye Queen. After this colorful spectacle, a grand ball was held for which Ken Hoeltzel and his band provided music, featuring Dave Harkins at the drums.

Rosalie Friedman, the world-famous psychologist, is returning to her office in New York after spending two weeks with her parents. Sue Saul, Judy Fingerhuth, Nancy Ferner, and Gloria Creeger have recently returned from a nurses' convention in Cleveland. Bea Bloom and Joan Ferguson, both very popular singers, are now recording with the RCA Company.

Arriving in Tiffin from their trip around the world, Margrace Prugh and Nancy Swearingen say they are greatly relieved to be home but were very much impressed with the sights. Martin Smith and Elaine Swift are planning to go to Central Africa for missionary work. At the Woman's Club meeting last night a short business meeting was held after which Rayella Turner, Tiffin's leading baton artist, and Kay Smith with her Rockettes entertained the club members. We see that Betsy Vogt has left for New York to assume the responsibilities of a buyer for Saks Fifth Avenue. Janet Voshall, famous concert pianist, appeared on Ed Sullivan's "Toast of the Town". Lynn Cutlip's reputation as a disc jockey over WTFM seems to be spreading all over Northwestern Ohio.

Due to bad weather, the Tiffin Secretary's Association picnic has been postponed to a later date. The committee for making the arrangements for the picnic consists of Ruth Ann Gorsuch, Sandra Fredritz, Nancy Jo Kirschner, Lois Thomp-

son, Carolyn Kohli, Joy Everhart, Peggy Tromans, Janice Perrine, Carolyn Montz, and Nancy Squeo. Sharon Herbert, Gwen Shepherd, Yvonne Perrine, and Betty Turner left for more extensive teachers' training at Ohio State University.

Many former Columbian stars are now in the professional field. Playing pro basketball are Jim Kimmel, Dick Weisenburger, Don Gossett, Gene Smith, and Gene Cook. Two of the players have private secretaries to handle their fan mail. Kay Toepper is assisting Cook, and Joanne Bordner, Kimmel. Phil Goist has been chosen "Manager of the Year" by the sports writers' association. Playing pro football has proved to be quite successful for Vincent Fowler, Allen Krock, and Larry Shaferly. These three men may get into the All-American field.

A building permit has been purchased for the construction of Claudia Grimm's Cosmetic Manufacturing Company. At Nancy Hippler's hair styling salon Jo Yager is employed in the peroxide department and Marcille Lang is working in the brunette department.

And now, we, Jo Yager and Bob Hemmerly, lay down our "Telescope of the Future" to spend our next ten years in exile in Lower Slobovia.

Out of the Treasuries of The Class of '55

Mr. Lutz: "You say in this paper that you know the connecting link between the animal and vegetable kingdoms. What is it?"

Jim Losey: "Stew."

Charles Stewart: "How many studies are yau carrying?"

Phil Goist: "I'm carrying one and dragging three."
